[ LEARN ][ SHARE ][ GET INVOLVED ]

On November 7th and 8th 2014, the Belgian Drupal User Group is organising **DrupalCamp Ghent**, the biggest Drupal-related event in Belgium. This edition will take place at the University College Ghent, home to the successful 2012 edition and close to the Ghent Sint-Pieters Station.

Based on attendance of previous Belgian DrupalCamps, we expect 300 to 400 people to make their way to Ghent to learn about Drupal, network with like-minded people, find suppliers or look for job opportunities. While most of the attendees will come from Belgium (both Flanders and Wallonia), we are currently reaching out to international speakers and audiences.

You can help make this event a success, support the local Drupal community and put your company in the spotlight by becoming a sponsor!

Below is a list of sponsorship packages available, along with information about what is included in each package. Note that the number of sponsorship packages per level is limited in order to provide maximum value for our sponsors, and packages are assigned on a first-come, first-served basis.
